

COVID-19 - Basketball WA Guidelines: April 29, 2020

As at the 28th of April, basketball trainings are now permitted by Basketball WA under the following conditions. These strict controls meet the current restrictions of the WA Government and advice of the WA Department of Health.

STRICT CONTROLS – Basketball Training
Outdoor facilities only
Non-Contact training drills only – No scrimmages
Maximum 10 participants (including coaches)
Strictly one ball per participant (clearly labelled)
Strictly one water bottle per participant (clearly labelled)
No hand-shaking or high fives permitted
Practice social distancing at all times of 1.5m (drills to be adjusted)
Coach responsible for risk assessment of court surface, ring & backboard
Hand sanitiser to be used by all participants prior & post activities
No sharing of food/snacks (e.g. lollies or fruit)
Any participant feeling unwell must not attend or participate in activity
Spectators & parents to avoid contact with the training group

RECOMMENDATIONS – Basketball Training
Forehead temperature checks of all participants prior to participating
Any person with an unwell person in their household should not attend
Spectators & parents to not attend if possible
Spectators & parents to practice social distancing 1.5m if required to attend
