

# 9 Year old?

**695** **mount lawley**  
orthodontics

At Mount Lawley Orthodontics, we believe 9 is the ideal time for a first orthodontic assessment and baseline records.

To celebrate the launch of our new website, we will be happy to accept your **Health Fund Rebate Only** for a full orthodontic assessment of a 9 year old child, with photographs and routine x-rays.

No orthodontic cover? Don't worry, in that case we can offer a **50% DISCOUNT** on our usual fees.
