A MESSAGE FROM OUR CEO

Lyndon Brieffies

Welcome to our second NBL1 West home game of the season tonight against East Perth. A special welcome to our visiting opposition players and supporters. We look forward to some fantastic basketball.

Both of our teams are looking to bounce back after last week and will need the help of the Redbacks family from the sidelines. So let's cheer loudly and show our support tonight #together!

I would like to acknowledge the support of our valued NBL1 corporate and players sponsors. Also a big thank you to our NBL1 committee and the game night team for their hard work behind the scenes.

NBL1 WOMEN'S HEAD COACH

Craig Allen

Welcome back to Belmont Oasis for our second home game of the season.

I'm really pleased with how we've kicked off our NBL1 campaign with a strong first up win against Senators and a close loss to perennial contenders Perry Lakes Hawks.

Our opponents tonight, East Perth, had a winning weekend in Round 4 with great wins against Mandurah and Lakeside. So we're expecting tonight's Round 5 matchup to be a tough encounter.

We thank you for taking the time to come and cheer us on this Friday evening and look forward to providing you with an entertaining, hard-fought game.

NBL1 MEN'S HEAD COACH

CJ Jackson

Dear Redbacks Supporters

Welcome to week three of our NBL1 season. After two losses we had to go back to the basics to help with our preparation for this evening's game against a hard playing Eagles team. We have been considerably hampered by injury these past few weeks but some of our playing roster are starting to recover from those injuries. With their inclusion at training this week our preparation was very intense and we are very eager to get back on the hardwood tonight. Our focus will be on four quarters of intensity, hard work and teamwork.

To all of the Eagles supporters, thank you for making the trip over for your club.

To our loyal Redbacks supporters thank you for spending your Friday night with us. We are ready to put on a good outing for you.
