A MESSAGE FROM OUR CEO

Ryan Lenegan

On behalf of the Perth Redbacks Basketball Association, we wish to acknowledge the traditional owners of the land on which the Association is located, the Wadjuk people of the Noongar Boodja, and pay our respects to their Elders past, present and emerging.

Your ADCO Perth Redbacks welcome you back to the Web for another exciting night of NBL1 action as we take on the Mandurah Magic for ANZAC round.

We thank the Belmont RSL for their guidance on tonight's proceedings and recognise those who served in Australia's armed forces, those who continue to serve, and those who have lost their lives. We honour the values that characterised the original Anzacs – loyalty, selflessness, courage – and the generations of men and women who have continued to live by these values.

Our NBL1 women will look to bounce back after a challenging home loss to the Warwick Senators. Shenae Hartree has been a revelation for us this year and is coming into this game off repeat MVP performances and in the top five of the league for rebounds. We hope to see Tea Charlton on her debut for the Redbacks tonight after a late pre-season injury.

The Redbacks men stumbled against the Senators after a strong start to the season and will be tested again this week by a strong Magic squad. Ben Smith has been dominant at both ends of the court for us, while Jerami Grace found some form against the Senators, top scoring with 20 points. Both these players were at Mandurah last year and will be looking to continue their great form with a strong outing against their former team.

As always, thank you to our sponsors and fans for their continued support - go Redbacks!
