

James Elder
Domestic Director - Perth Redbacks

Relationship to Redbacks

James and his wife Angela currently have two sons playing both WABL and Domestic Basketball with Redbacks, both boys have also been involved with the Redbacks refereeing program.

James has been a part of the Redbacks community since 2012, having initially joined through the Aussie Hoops program at the Loftus Centre in Leederville.

James has filled various roles with Redbacks on a volunteer basis over this time, including Domestic, WABL and SBL Committees, Domestic and WABL Coaching roles, NBL1 Mens Team Manager and previous Board positions.

Qualifications:

James is a Registered Change Management Practitioner with Certification in Governance Practice and Risk Management.

James is also a member of the Australian Evaluation Society.

Background:

James was the co-founder of North Perth Basketball Club in 2014 and together with club legend Joel Wagner, has been responsible for introducing Redbacks basketball pathways to hundreds of junior players over many years.

James was a proud recipient of the Redbacks Medal of Honour in 2019 for recognition of service to community Domestic Basketball.

Outside of basketball, James is a keen cyclist and enjoys an active lifestyle, travel and spending time with family.

Professionally, James operates an Advisory Business that specialises in Project Evaluation and Performance Measurement.

Other Positions:

- Director of North Perth Community Financial Services
- Board member of North Perth Community Bendigo Bank
