PRESIDENT'S CORNER

The Perth Redbacks is a proud club and next year we celebrate 60 years. In those years we have never retired a players number. It is fitting that the first in our clubs history has played the most games for Redbacks, is the all time SBL/ NBL1 leader in assists, has captained our team for many years and is one of the most respected players not only in his team and club, but by everyone involved in the league.

Tonight we acknowledge and celebrate an amazing career and we retire Joel Wagners number 10.

COACH'S CORNER

JASON SMITH
NBL1 WOMEN'S HEAD COACH

Good evening & welcome to our 9th game of the 2023 NBL1 season, tonight we host the league leading Cockburn Cougars.

Coach Thwaites, has his team humming along nicely at the minute, with a league best record of 6 – 0 & only undefeated team left, who also is averaging an impressive 94 points per game.
The Cougars are loaded with talent, led brilliantly & coached extremely well.
Players to watch tonight (but not limited to) are Perth Lynx member Jessie Edwards, outstanding point guard Jewel Williams, Denmark superstar Sarah Mortensen, and 3 & D star Steph Gorman.

After a tubulous week, with the unfortunate resignation of Head Coach Michelle Fletcher, the girls have rallied around each other, refocused & have had a great week on the practice court, hopefully we can bring our best efforts / game to the floor, do the club & supporters proud.

Personally, I would like to thank Shell for everything she has done for the program, the club & for myself over the years. You are definitely one of a kind & will be sorely missed.

On a final note, congratulations to club legend Joel Wagner on the official retirement of his playing number, it is thoroughly deserved.

I had the pleasure of coaching Wags back in 2006 in the Western Australian Under 20 Men's State Team, as well as watching his growth over the years (from an opposition coaching position) into an outstanding point guard & more importantly as a person.

Let's go Redbacks.

Cheers

Jase

COACH'S CORNER

CHARLES NIX
NBL1 MEN'S HEAD COACH

Hello Redbacks

It's been a big couple weeks on the road for us and we are stoked to be back at home in what is a massive night.

Firstly I want to wish Michelle Fletcher all the best with her future and really commend her on everything she has done at our club for a long time. Good luck to Jason in the interim and the girls, hopefully they can pull together and make the most of the opportunities in front of them.

Tonight we take the opportunity to Celebrate one of the greats of our club in Joel Wagner. I wasn't lucky enough to coach him but I've had plenty of battles over my time and always held Joel in the highest regard. You 100% knew you were up against it when you played a Wagner led Redbacks team and from my opinion getting your number retired is the highest possible honour a player can achieve. A massive congratulations to a true champion of the game and champion of a person.

We haven't been great at home to start the season so it's really important that we come out tonight locked in and ready for an in form Cockburn team. They are extremely talented and well coached so the expectation is that it will be a hell of a game.

Be loud and proud, we love it at home and look forward to leaving it all on the floor.

Cheers
Nixy
