COACH'S CORNER

JASON SMITH
NBL1 WOMEN'S HEAD COACH

Good evening & welcome to the Belmont Recreation Centre.

After an improved effort last week against league leading Cockburn Cougars, tonight we host Coach Allen & his East Perth Eagles.

Coach Allen has his team playing well & currently have a 4 - 7 record.

Tonight you will see Australia Opals squad member & our very own Lauren Scherf up against former Perth Lynx player Maddie Allen. This match alone will be worth the admission.

Other players to watch are their two restricted players Sylwia Bujiak who is a high quality point guard, forward Madison Torresin, as well as sharp shooting Sarah Allen.

Another solid week on the practice court this week, with the girls getting use to my coaching style & bringing the intensity that is required.

We are continuing to work on our game and prepare best we can. As we keep doing this, we expect to continue to see the improvement that is required to commence getting in the win column.

Lets go REDBACKS!

Regards Jase

COACH'S CORNER

CHARLES NIX
NBL1 MEN'S HEAD COACH

Hello Redbacks

It was nice to get back on the right end of the ledger at home again last week. It was a really tough game that we can take a lot away from.

I genuinely feel like we can be an all time great defensive team, and we have shown it in patches.

We weren't consistent with our execution last week so the plan is to improve on the areas we've identified and go from there.

Tonight we welcome the Eagles who, similar to last week, are way more talented than their record suggests. Offensively they are really dangerous so we'll be locked in to trying to execute our system and make life hard for them. I expect it to be a great game.

Thanks to everyone for continuing to support us, we'll continue to improve and strive to make this a season for you all to be proud of.

Cheers
Nixy
