COACH'S CORNER

JASON SMITH
NBL1 WOMEN'S HEAD COACH

Good evening and welcome to tonight's clash against the Joondalup Wolves who are currently sitting 2nd on the ladder, with their only two losses to date being against the league leading Cockburn Cougars.
The Wolves are very well coached and have a very strong roster. Players of note to watch tonight are Teige Morrell, Robbi Ryan, Neseya Parker Williams, Emma Klasztorny and Chelsea Belcher.

Last time we matched up was back on April 21 and the result was a 26 point loss.

The girls are continuing to work hard at practice & the changes that the coaching staff are implementing, even though the results aren't showing their hard work, there are noticeable improvements.

Belated congratulations to co-captain Mikki Pirini on reaching 150 games last weekend.

On a final note, I would like to thank all supporters and sponsors for their continued support

Let's go Redbacks.

COACH'S CORNER

CHARLES NIX
NBL1 MEN'S HEAD COACH

Hello Redbacks

We've got the heavy part of the schedule now with 3 double header weekends on the trot. How we perform over this stretch will determine where we finish so we are confident that the work we have put in will pay dividends during this stretch.

We still have plenty to work on with our consistency being a focus for us. We are still working out chemistry and rotations with players being away and back but we are confident the plan will come together as long as we continue to buy in.

Tonight we welcome the Wolves who are extremely talented and are like us integrating new pieces. They can score for every position and are dangerous inside and out. We will strive to be locked in for 40 because we know that's what it'll take.

We appreciate all your support and will continue to leave it all out there. Be loud and proud!

Cheers
Nixy
