COACH'S CORNER

JASON SMITH
NBL1 WOMEN'S HEAD COACH

Good afternoon & welcome to our second last game of the 2023 NBL1 West season.

Last week, the girls played a full game and walked away with a 17 point away win against the East Perth Eagles. The well deserved result shows that all the continued hard work and belief in their team mates and our system has paid off.

Over the next two games we are continuing to work on all facets of our game, with the aim of continuing to improve, both individually and as a team.

This afternoon we host player coach Ciabattini and her South West Slammers. The Slammers bring in a young roster, that is also supported by more experienced players of the caliber of Duffield, player coach Ciabattini and Williams.

With the combination of experience and youth on the roster, we are expecting a team that leaves everything out on the floor, plays with no fear and all the while supported by the level headedness from the experienced senior players. Additionally we are expecting a tough game.

Thanks to all members, sponsors and supporters for your continued support.

Lets GO REDBACKS.

COACH'S CORNER

Hello Redbacks

It was great to secure a finals spot last week, now that goal 1 has been achieved, its moving on to secure the best possible position and form heading in.

CHARLES NIX
NBL1 MEN'S HEAD COACH

This week we welcome Coach Goff and the South West Slammers who was an assistant of mine in 2017.

We expect them come out hard and really push us, they have so much talent with the experience of Richardson and Weeden as well as some really exciting youth.

We'll work on continuous to build towards the most exciting time of year, without looking to far ahead as at know these next 2 weeks are important.

Thanks for all the support so far.

Cheers,
Nixy
