TIM TIME

WITH WNBL1 HEAD COACH
TIM RENDULIC

Welcome back Redbacks!

It's safe to say the home games have been pumping in the first three home games of the season. I know the players & all our staff from both programs have greatly appreciated the support & really look forward to that continuing today! Congratulations to Nixy & the men's team last week on a stunning triple OT win. It's been a long time since we've seen a triple OT game at any level & was great to see the men's team come out on top in a highly entertaining battle!

For our women's program we continue to keep meshing & growing together. Nat has had some vital training time with the team under her belt & now we push forward with what should be a full roster for the first time this weekend. Our players are starting to define & understand their roles & this is becoming evident with some prepared to sacrifice small aspects of their own game, for the benefit of the wider team. Something as a coaching staff we have been really proud of to see & hear.

Last night we would be coming off what no doubt would be a bruising encounter with a tough Warwick team, to today welcome Jaymi Worthington & the Goldfield Giants. After a bumpy start the Giants arrive on the back of their first win of the season. They have 2x seasoned German players in Fech & Zipser, Joson has been a handy addition & they are getting solid contributions early from young locals Alex Clinch Hoycard & Chloe Zorzi. We will not be taking them lightly, especially being that we will meet them again next week out in Kalgoorlie-Boulder. A tough place to get a win.

We have no doubt this will be an entertaining clash. The team is firmly focused on closing the month with 2 wins this weekend to keep us in touch with the Top 6 after what is the harshest month in our schedule.

Be loud Redbacks fans. We hear you & see the support.

Timmy

NIXY'S NEWS

WITH MNBL1 HEAD COACH
CHARLES NIX

Hello Redbacks

Another crazy night in the Web last week with the longest game I can remember against the Suns. I'm really pleased with the guys effort and execution down the stretch to wreak out the win. We did get ourselves in another hole early which is becoming an unwanted trend so we've worked hard to try and get to the bottom of it. I really like the direction we are heading and believe that these hurdles to start the year will hold us in good stead moving forward.

Congratulations to Timmy and the girls for what was a really impressive win at home last time out, it's a real challenge adding in that much talent over a small period of time but they've shown some real professionalism with the transition and look like a team to watch moving forward.

Sunday hoops is always interesting at this level with a lot of our fans coming from our WABL base, who play today. So thank you to those that have been able to make the game, our home crowd has been awesome since I have been at the club so with the fewer numbers today we will lean on you to help with the energy and atmosphere in the room, be loud and proud.

Goldfields are rolling at the moment and have a really good mix of experience and youth as well as 2 of the most elite imports in the league. We know that if we don't make the required improvements that today could be a long one, they are well coached and highly organised. I'm confident that we can continue to gel and improve and start to show more consistency as the season progress'.

I do want to wish all of our WABL teams a great season as well, with WABL starting last week. It was great to get down to Vic Park on Sunday and check out some of the teams. Everyone looked great in the new uniforms and represented our club in a fantastic way.

Cheers
Nixy
