Hi Redbacks fans!

Firstly, we send all our well wishes to Shenae Hartree who underwent a successful surgery during the week. Shenae sadly sustained a knee injury in our game against Rockingham which has seen her season come to an early end. She had been having a great campaign for us in 2024 & was an important piece in our system. She really embraced her role & was only scratching the surface of her talent. We have no doubt that Shenae will bounce back better than ever in her rehabilitation over the coming months & continue her rise in 2025 & beyond.

We also congratulate Anneli Maley & the 3x3 Gangurru who recently took out a W series event in Chengdu. A great result for their Olympic lead up.

The team remains engaged & committed to the final 3 home games of the season. We're at the business end of the season where the team is squarely focused on locking in a playoff berth & then pushing as far up the ladder as they can to try secure a home final in front of our Redback fans.

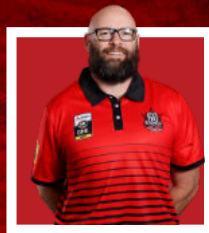

Tonight, we welcome Jesse Pence & the Joondalup Wolves to the Oasis. They are truly fortunate to have no shortage of talent that includes as many as 4x American players & the ever talented Emma Clarke on her return from injury. We will have to be on point defensively & exert a much improved awareness on the glass to come away with a victory against quality opposition in this matchup.

Stay loud Redbacks fans & keep being that extra player on the floor for our teams. It makes a monumental difference!

Timmy

Hello Redbacks

Welcome to our first Saturday in a while, it's been great to be at home but even better to be at home on a Saturday. Please feel free to come down to the Sporting Globe after the game and meet the players as well as support one of our sponsors.

There isn't a lot of time to sign the petition, this is massively important for basketball in WA, so please get everyone you know to sign. This is the biggest thing to happen for our association since our inception so it's vitally important that we are all pushing for signatures.

Tonight we welcome the Wolves who have been a league powerhouse for over a decade now, they are deep and talented, well coached and well run. We'll need to lift our standards if we are to stay with them over the 40 minutes.

Over the final games of the season you'll see some of our young talent getting an opportunity, get behind them.

Thank you all for the continued support, it's been a really challenging year but we as a group have felt nothing but love from our supporters.

Let's keep grinding  
Nixy
