TIM RENDULIC

Welcome back Redback fans,

Please don't forget to keep sharing the petition for the clubs campaign for a 12 court stadium! Share it on your socials, spread the word amongst friends, family & colleagues. More importantly encourage those you interact & talk to about it with - to sign!!

Last week was a really pleasing performance by the team over a talented Wolves outfit. Natalie Chou & Anneli Maley were obvious stand outs, with Anneli also being awarded the league player of the week. But it's the support cast that are playing a pivotal role in allowing these two to shine as they do. Without the collective buy in & commitment by everyone, there is no way we would have had the results we've had to date. Its really pleasing to see & know that each player is ready to take hold of their opportunity when they arise. As a result, the team has locked in a coveted playoff position. All that remains over the next two weeks is to see if we can push up the ladder for a home final.

Tonight we welcome Marty Zeller & the Lakeside Lightning. The last time we met in Round 11, we were pipped by a single point in a hotly contested matchup. We expect tonight's game to be just as exciting. They have 3x of the leagues very best scorers in perennial MVP contender Teige Morrell, the sharp shooting Marnelle Garraud & dynamic Catie Jones. Slowing down these three will be the key to any success we have tonight.

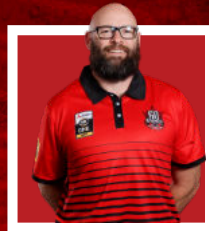

Tonight we also welcome the return of our black out uniforms which not only represented mental health round, but also feature prominent aspects & details of the club indigenous background & heritage to celebrate the leagues annual indigenous round!

Be loud!

Timmy

# NIXY'S NEWS

WITH MNBL1 HEAD COACH  
CHARLES NIX

Hello Redbacks

The guys showed some fight last game and we had a good opportunity to get everyone on court with some valuable minutes to the guys that have come off the bench all season. We have had a tough year with injuries and have a few more out tonight, I feel like we've had more than our fair share this season.

Tonight we welcome the Lakeside Lightning who have really found some form lately. They have 2 super dynamic imports and a young group supporting them that come in and play their roles. The ability to shoot was on display when we played them at Lakeside so we'll need to make sure we protect the 3 point line and give them nothing open.

We have continued to work at training and have had a real focus on enjoying the opportunities we have left, and making the most of them. This league is getting better and better every year and we understand that we have a long way to go to get to where we want to, the guys are not shying away from that.

Please remember to get everyone to sign the petition, we are a little behind our target so it's really important that we give it a push now. Anyone that lives in WA can sign it so send it to everyone you know.

Cheers  
Nixy
