Hey Redback fans!

Good luck to the men for the final two games! Its been a unexpected season. But I have no doubt they will represent the Redbacks the right way these next two games & will be the big bounce back story in 2025. The talent is there. The changes will be made & they have one of the best coaches in the business with Charles Nix.

Its hard to believe that this is our last home game of the regular season! Its been a whirlwind of highs & troughs. None more high than last week's result against Lakeside with a winning shot made by Ashlyn Lee as time all but expired.

The team was tested with the loss of two starters mid-game. But they displayed resilience, courage, commitment & mateship by the truck load to step up when it truly mattered. The team has grown an incredible amount from our first session to now & every player is to be commended. They play arguably the most exciting brand of basketball in the competition & have truly embraced their values of competitiveness, family, fun & respect. A testament to themselves & each other.

I have to get off many thanks to really important people in our program (that I will thank in person!). Thank you to my rock star coaching staff - Corry Easter, Shaun Bennison & John Care. Thank you to our team manager Laura Care, physios Trish Slapp & Ash Flynn, S&C coach Mez Wingard, NBL1 coordinator Nathan Barnes, CEO Ryan Lenegan & all the countless volunteers/ supporting staff/officials on game night that support the NBL1 programs. We truly **thank you** for your support & efforts.

To our major sponsors (GYG, Bendigo Bank - North Perth, Lynford Ford & Blasta Brewing Co) - **THANK YOU**. To all our club partners, player sponsors & all other contributors to the club & fans that come to each & every home game - **THANK YOU!!** We cannot put exciting teams together or provide the product we do without your vital support.

Lastly thank you to my wife Vanessa & boys Hemi & Hunter. They allow me the time away to do this job that I love doing. I do my absolute best every week for them.

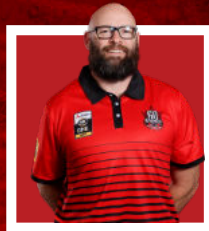

Tonight, we welcome Perry Lakes who are top 4 & playoff bound. An excellent test to prepare for the finals. The equation is simple. Win & we finish in 5th position. A loss will see us at the mercy of other results for final placings, but we are hopeful of a home final in front of our loyal fans.

Be as loud as you can Redbacks.....see you all in 2 weeks for finals!

Timmy

NIXY'S NEWS

WITH MNBL1 HEAD COACH
CHARLES NIX

Hello Redbacks

What a fantastic way to finish the women's game last week with Ashlyn Lee hitting the buzzer beating 3, great find by Miki Pirini as well on penetration. A huge congratulations to them on their season with tonight being their last home game before finals. Tim and his staff have done a tremendous job with the program, we are looking forward to supporting them in their finals campaign.

It was great to get back into the W column after a rough June, but July has bought some joy and we are hoping to replicate the result tonight. The Hawks are a highly talented young group lead by some great imports, they got the better of us earlier in the season so we know we'll need to be on our game to get a positive result.

The guys have worked extremely hard and I think you can see the change in our style of play over the last few weeks. The defensive intensity, communication and energy has lifted and it is showing on the scoreboard. Offensively we are moving the ball more and working to get each other open, at times it's been great to watch.

With 2 games left we will continue to leave it all out there and finish as high as possible, while giving our young guys a chance to impact in games.

Thanks for the support, hopefully we are all smiling at the end.

Cheers Nixy
