Welcome back to the web Redbacks fans!

The team has continued working hard & are locked in after splitting a double header to close the first month of play. Whilst we were disappointed in review of our Warwick game that saw a poor close to the last quarter cost us a win, we were able to get over the top of a tough Goldfields team the following morning to close the first month 3-1 & inside the top 4. A positive start to the season by any means.

Tonight we welcome one of the leagues benchmarks & ladder leaders in the Cockburn Cougars. Their first 5 is as tough & talented as they come.

Williams & Gorman patrolling the back court offers them presence at both ends of the floor, Mortensen & Raber are one of the best 1-2 punches you'll get in a front court & Scafidi balances those 4x players well. With a host of options off the bench, our team defence principles & discipline will need to be sharp for 40 minutes.

# ***TIM TIME***

We continue to learn & grow already with some injuries & absences; but we are really trusting in our depth and confident that players are ready to step up & seize their opportunities as they arise. Tonight will be no exception in what should be a really exciting, up-tempo game.

The entire squad appreciates the ongoing support at the home games so far, as its been top tier! Keep it going Redback fans!

Tim

***WITH MNBL1 HEAD COACH***

***CHARLES NIX***

Hello Redbacks!

We knew last week was going to be a real opportunity to learn and continue to grow into our season with the additions of Emmanuel Kanwei and Connor Mincherton, as well as playing 1 and 2 on the ladder.

Chemistry is definitely something that takes time, I wish it was different and things would just click instantly, so we have worked hard to review and integrate this week. We felt like Sunday against the Giants we showed plenty, but ultimately weren't able to execute when we needed to down the stretch. Our organisation on defense was not what we expect and the ball stopped moving on offence, film on Tuesday was keyed in to those two areas.

# ***NIXY'S NEWS***

Tonight we welcome a desperate Cougars team who have had a really tough draw to start the year and are still chasing their first win. Desperate teams are dangerous, and after letting one slip last week we are focusing on executing for the full 40 minutes.

We are excited to be home, and love the support we get here. Thank you for the great environment you are creating.

Cheers

Nixy
